TRAINING AND  
CONSULTANCY

C<sup>3</sup>ube offers a range of proven culture, diversity, and Islam awareness training programmes designed specifically to be run in-house or at training centres for public sector bodies, companies, and charity organisations.

Each training programme is designed to be delivered stand-alone or as part of a comprehensive suite of learning events to meet organisational development needs. Experienced and qualified leading edge trainers facilitate each programme in the context of your organisational culture, industry, policies and procedures.

By utilising the very latest training techniques and building upon incomparable experience and expertise, these exciting, high energy, results-driven training programmes deliver high professional awareness and understanding which ultimately enhances whole organisation / service capacity.

## **The Company**

C<sup>3</sup>ube has been formed by leading experienced partners from the statutory and voluntary sector including the health care, regeneration, management, and criminal justice fields.

## Why is this training and consultancy important?

In light of recent legislation affecting race relations and faith communities it is vital that organisations, service providers and policy makers ensure that they understand and meet the needs of all sections of the community. Our training and consultancy will develop, enhance and increase your knowledge and ability to meet the complex needs of diverse and faith based communities across a range of sectors.
